

EMS Response to TERRORISM

Awareness Level Training

Cost of Program:

Date: _____

Time: _____

Location: _____

Target Audience:

Emergency Medical Services, Fire Service, Law Enforcement, Public Safety, Public Works, First Responders, Emergency Response Teams, Healthcare Providers, Emergency Management, Hazmat and Decon Teams

Course description:

Designed primarily for fire-rescue and EMS personnel, although other emergency responders can benefit from the course. The program covers the history and categories of terrorism and terrorist organizations in the United States and abroad, self-protection measures to be taken at explosive and NBC (nuclear-biological-chemical) incidents, crime scene and perimeter control procedures, operation procedures, and building an Incident Command organization for terrorism responses.
