Where kids come first.™

JumpSTART

The purpose of this program is to provide an educational module related to pediatric disaster triage concepts and the JumpSTART algorithm.

Objectives...

1. Discuss incorporating pediatrics into your disaster planning
2. Discuss unique pediatric needs/issues in a disaster situation
3. Discuss triage and the pediatric patient
4. Discuss JumpSTART triage

Intended Audience...

EMS personnel, Physicians, Nurses, ALL First Responders interested in learning pediatric disaster triage concepts and skills.

NOTE:
There is no course registration fee.

This course is being supported by Region 7 RMERT through a federal grant from the Assistant Secretary for Preparedness and Response (ASPR), U. S. Department of Health and Human Services.
